PRODUCT FAMILY / 12 SELECTION REFERENCES

Cable Ties

Self-locking cable ties in useful lengths, widths and material selections for cabinet wiring.

Illustrative category image; supplied configuration is confirmed at quotation.

PRODUCT OPTIONS

Natural PA66 / Black PA66 / Weather-resistant material request

INCLUDE IN YOUR ENQUIRY

- Length × width
- Bundle diameter
- Material / colour
- Minimum tensile requirement
- Operating environment

MODEL & SPECIFICATION REFERENCES

Cable Ties

Select a reference and add quantity, material / finish, dimensions and the application requirements. Final supply is subject to quotation.

REFERENCE	CONFIGURATION	INFORMATION TO CONFIRM
100 × 2.5 mm / PA66 / natural	100 mm cable tie	L × W 100 × 2.5 mm; PA66; natural; confirm bundle and tensile requirement.
100 × 2.5 mm / PA66 / black	100 mm cable tie	L × W 100 × 2.5 mm; PA66; black; confirm bundle and tensile requirement.
100 × 2.5 mm / PA66W / black	100 mm cable tie	L × W 100 × 2.5 mm; PA66W; black; confirm bundle and tensile requirement.
150 × 3.5 mm / PA66 / natural	150 mm cable tie	L × W 150 × 3.5 mm; PA66; natural; confirm bundle and tensile requirement.
150 × 3.5 mm / PA66 / black	150 mm cable tie	L × W 150 × 3.5 mm; PA66; black; confirm bundle and tensile requirement.
150 × 3.5 mm / PA66W / black	150 mm cable tie	L × W 150 × 3.5 mm; PA66W; black; confirm bundle and tensile requirement.
202 × 4.6 mm / PA66 / natural	202 mm cable tie	L × W 202 × 4.6 mm; PA66; natural; confirm bundle and tensile requirement.
202 × 4.6 mm / PA66 / black	202 mm cable tie	L × W 202 × 4.6 mm; PA66; black; confirm bundle and tensile requirement.
202 × 4.6 mm / PA66W / black	202 mm cable tie	L × W 202 × 4.6 mm; PA66W; black; confirm bundle and tensile requirement.
460 × 7.6 mm / PA66 / natural	460 mm cable tie	L × W 460 × 7.6 mm; PA66; natural; confirm bundle and tensile requirement.
460 × 7.6 mm / PA66 / black	460 mm cable tie	L × W 460 × 7.6 mm; PA66; black; confirm bundle and tensile requirement.
460 × 7.6 mm / PA66W / black	460 mm cable tie	L × W 460 × 7.6 mm; PA66W; black; confirm bundle and tensile requirement.

Dimensions are RFQ size references. Black colour alone does not indicate UV resistance; request the required weathering and temperature performance explicitly.
